

SALISBURY WINDOW ART TRAIL

Salisbury BID and Michele Millidge, a local artist, have spread very important shop local messages across the city centre. Using the map below, stroll the medieval streets of Salisbury and admire the art.

Don't forget to share your photos on social media using #ShopSalisbury and #SalisburyTogether.

We all want to see Salisbury and our businesses get back on their feet following the coronavirus pandemic. But they can't do it without your help. Now really is the time to shop local and use our businesses, or we'll lose them forever.

Thank you for supporting Salisbury!
